When we woke up Sun. morning and realized the winds were 160-165 mph we knew we had to leave. We just had no clue where we were going to go. (because of the dog). We just ~~got~~ & packed For 3 days (not knowing we would loose everything) and some pictures.

Write something special that you would like Santa to bring you or your family:
Even though my Family lost everything (even the cat) my main wish is For my 10yr old twins. I ~~would~~ wish you could bring them a t.v. For their part oF the trailer.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Katrina experince cont....
So my husband, daughter, son, and I (plus the dog) left. We Followed my dad, mom, brother and there two dogs. We just didn't realize that when we left we would never see Waveland looking so beautiful again. We all arrived in West Monroe, La and stayed in a one bedroom motel room For 4 nights. Then we went to a shelter For 2 nights. Then my sister rented a house For us to stay in For the next 2 months. So now we are back and here to stay For good. Waveland is our home Forever, because as bad as Waveland looks now, I know that one day it will look as beautiful as the day we left. (Aug. 28, 2005)

Christmas Wish cont.....
I know that this would be asking a little to much but if you could bring them some kind of video game system (x-box or something like that) it would be so greatly appreciated. I never could afford it before and now I really can't afford it. But anything would be appreciated. Thank-You so much for your kidness and generosity. My family would love anything you bring us.

MERRY Thank-You,
Christmas The [redacted].
To You and
You & Family!!!

Thank-
You
